## WAXED

**Locomotiva Encerado (Waxed) is one of the oldest and most recommended brands in Brazil and abroad, launched over 110 years ago**

### Features

- Made from 100% cotton tarpaulins, triple stitched, stainless steel eyelets that will not rust, reinforcement at the hem and at the 4 corners of the cover.
  - Exclusive water repellent treatment to protect your cargo in the rain.
- The only cover that withstands the friction of ropes and lashings, providing
- greater security for the cargo being transported.

### Use

Recommended for dry cargo that needs mooring.

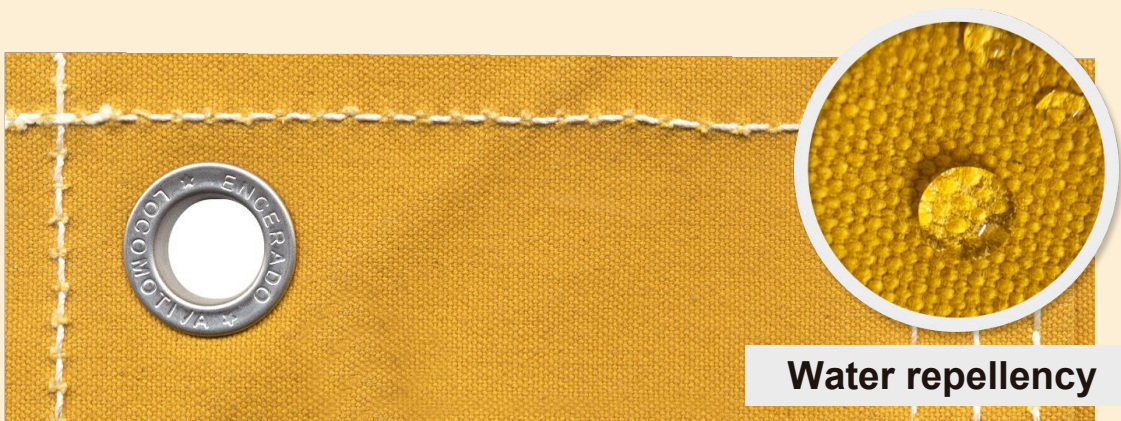

### Available in two models with different specifications

**TARPAULIN 8:** For covering dry cargo such as sacks of coffee, sugar, flour, etc.

**TARPAULIN 10:** For static covers in general, such as luggage racks, pick-up trucks, 3/4 trucks, etc.

#### Eyelets:
